

**BERLIN MEDICAL FACILITY  
BERLIN, WISCONSIN**

Services were provided through Studio GC in 2014 to design the site work associated with this new facility. The project included the design of the mass grading, water and sanitary sewer services, drainage system and pavement and erosion control on the one acre site.

**Services Provided:**

- Final Engineering Plans
- Drainage Calculations
- Assistance with City and State permits

This project reflects Firm and Staff experience.

Excellence, Service, Integrity
