

TINLEY PARK HEALTHCARE FACILITY
TINLEY PARK, ILLINOIS

Services were provided to Tinley Park Healthcare, LLC in 2014 for a 6,800 square foot medical facility on a 2.5 acre site located in Tinley Park. As the entrance is off 80th Avenue, a permit for the driveway and access to connect to the utilities in this right of way was required from Cook County Department of Highways and Transportation. The stormwater system including the detention facility was designed in accordance with the Metropolitan Water Reclamation District of Greater Chicago's (MWRD) Watershed Management Ordinance. The sanitary service connection was permitted through the MWRD and Illinois Environmental Protection Agency and the water service was also permitted through the IEPA. The overall project was permitted through the Village of Tinley Park.

Services Provided:

- Coordination with Village staff for site plan improvements
- Preparation of site development plans for permitting and construction
- Designed of Stormwater System with surface detention facility
- Prepared Permit Applications for the Village of Tinley Park, Cook County Department of Highways and Transportation, MWRD and IEPA.

This project reflects Firm
and Staff experience.

Excellence, Service, Integrity
