

**MIDLANDS AT SOUTH BARRINGTON, OUTLOT C
DEVELOPMENT**
SOUTH BARRINGTON, ILLINOIS

Services were provided to George Kanagin, the owner of three outlots of a commercial subdivision in South Barrington. One of the lots, Outlot C, included approximately five acres and was conceptually approved by the Village of South Barrington to support two 40,000 SF office buildings and a 120 room hotel with a 15,000 SF restaurant. ESI assisted Mr. Kanagin by designing a plan to meet the stormwater and wastewater requirements to apply for a permit from the Village of South Barrington and the Metropolitan Water Reclamation District of Greater Chicago.

Services Provided:

- Grading of Outlot C
- Design of Storm System and Sanitary Sewer System
- Prepared Permit Applications for the Village and MWRD

This project reflects Firm
and Staff experience.

Excellence, Service, Integrity
