

VILLAGE WIDE NPDES PERMIT SERVICES
LONG GROVE, ILLINOIS

ESI Consultants, Ltd represents the Village of Long Grove for NPDES Permit monitoring on several commercial and residential developments. We have worked on new projects, old projects, and projects in violation. This includes the design of sediment and erosion control measures that worked quickly and effectively in order to appease the agency inspectors. Our experience and quick action has led to the minimization, and in some cases, the elimination of the fines to the property owner. ESI also has the in-depth knowledge of the IEPA permitting process which aids in closing out construction projects quickly.

Services Provided:

- Stormwater Modeling
- Erosion Control and Inspection
